How do I make a Payment?

- Sign in by entering your username/password
- Scroll down from the homepage or select:

- **Cafeteria Payments:** Add money to an account by entering your desired payment amount into the “payment” field for each student/patron. The amount you entered will automatically reflect in the “Subtotal Amount”.

Account Name	Balance	Payment
GENERAL-pay for meals, drinks, and a la carte items	\$0.00	25.00
MEAL-pay for one plated meal per meal period only	\$0.00	0.00

Meals Subtotal Amount:

▶ You may have the option to designate how your child’s funds will be spent. Place funds into the “meal” account to allow purchase of one-plated meals. Add funds to the “general” account to allow purchase of meals, as well as a la carte items.

- **Other Payments:** You may pay for other items in addition to cafeteria payments in a single transaction. Simply choose your category and check the appropriate “pay” boxes next to the items you wish to pay for.

Athletic Fees		
ANDREW W SMITH (NEUQUA HIGH SCHOOL)	Amount	Pay
Neuqua Valley Athletic Activity Ticket details	\$ 15.00	<input type="checkbox"/>
+ Driver's Education		
+ Indian Prairie Education Foundation Donation		
+ Music		
+ Registration & Technology fees		

- Select:

- Confirm that your payment amounts to each account are correct

- Choose your payment method by using selecting it from the dropdown:

- Enter your credit card/checking information
 - ▶ Tip: You can save this account information to a **secure** wallet profile so that you won't be required to re-enter it each time you make a payment. This payment method will become a stored option, available to you for future use.

- Select:

- Review the final screen to verify that everything has been entered correctly, and confirm your payment.

How do I set up Low Balance E-mail Reminders?

Low balance e-mail reminders are an excellent way to stay updated, to make sure your child has funds for their breakfast or lunch every day.

- Sign in by entering your username/password.
- Select:

- For each of student/patron, check which account(s) you would like to receive e-mail reminders for.

Tip: Select **only** the account you will use, unless you actively use both meal and general. Keep in mind that you will receive e-mail reminders for each account you check.

- Choose your threshold for the account by entering a dollar amount into the appropriate box. This is the amount that will trigger your low balance e-mail reminder. A \$10.00 threshold is recommended.

A screenshot of the 'Accounts' settings form. It has two rows. The first row is for 'GENERAL' with a checked checkbox and a text box containing '10.00'. The second row is for 'MEAL' with an unchecked checkbox and a text box containing '10.00'. Red arrows point to the 'GENERAL' checkbox and its '10.00' value.

How do I store banking/credit card information to my wallet?

- Sign in by entering your username/password
- Select:

- Choose “add” for the “credit card” and/or “checking/savings account”

- Enter your credit card/checking information
 - Tip: Storing your credit card/checking information in your secure “wallet” will prevent you from having to re-enter your information at check-out. You can also choose any of your stored methods of payment when setting up the auto-replenish feature.
- Select:

- Repeat the above steps to add additional payment methods to your “wallet.”

How do I set up auto-replenish?

Auto-Pay allows you to setup automatic payments into an account when the account balance drops below a minimum amount.

- Sign in by entering your username/password
- Once you have completed the above steps for setting up your “wallet,” go back to the “home” screen and select:

- Select your desired payment method for auto-replenishes from the drop-down. Automatic payments are made to an account using stored information from your “wallet”.

- Check the box next to the account you would like to have auto-payments for.
- Select the minimum amount the account can have before an auto-replenish payment is made.
- Choose your total payment amount once the account reaches the threshold.
